Customer Persona

A celebration-focused customer who wants a fresh, attractive and customizable cake, discovers options through Instagram/Google/WhatsApp, compares design and value, and wants convenient, reliable ordering.

CHAPTER 04

SOCIAL MEDIA SETUP & VISUAL IDENTITY

Logo

Bio

- FS Elite Bakes | Cakes & Bakes
- Custom & Birthday Cakes
- Brownies • Cookies • Desserts
- Kumbakonam • Thanjavur, Tamil Nadu
- Tamil Nadu Shipping
- DM for Orders • Pre-Orders Only

Colour Theory and its pantone

- Primary: Deep Plum / Mulberry — #5A304B
- Secondary: Blush Pink — #F5D0D8
- Accent: Rose Gold — #C98F8F
- Background: Soft Cream — #F7EFD5
- Neutral: White — #FFFFFF
- Food Accent: Warm Chocolate Brown — #4A2C22

- **Blush Pink & Rose Gold Tones:** Symbolize warmth, sweetness, gentleness, and charm. Pink is universally associated with bakery products, desserts, and confectionery arts.
- **Deep Plum / Mulberry Purple:** Used for the typography and outer circular border, purple evokes luxury, elegance, and high quality. It elevates the "Elite" branding.
- **Soft Cream & White:** Represents cleanliness, hygiene, and fresh ingredients like milk, cream, and flour.
- **Warm Chocolate Brown:** Grounded tone used for the cake and apron accents, adding appetizing contrast and rich visual warmth.

Typography

- **Elegant Script / Calligraphy:** The flowing, curved script used for "*Fs Elite Bakes*" conveys a handcrafted, artisanal feel. It suggests personal care, custom cake artistry, and sophisticated craftsmanship.
- **Curved Text Placement:** Arching the text along the upper circle creates balance and frame alignment, guiding the eye smoothly across the brand name.

Shape Theory

- **Circles & Circular Frame:** Circles represent unity, completeness, perfection, and community. They create a welcoming, friendly badge effect ideal for stickers and packaging labels.
- **Soft Watercolor Brush Stroke:** The organic, fluid background edges break the strict geometry of the circle, adding an approachable, custom, and artistic touch.

Object / Symbol Theory

- **Faceless Baker Illustration:** The minimalist, faceless style allows customers to project themselves or see the creator as an approachable, universal figure.
- **Chef Hat & Apron:** Immediate visual indicators of professionalism, expertise, and proper culinary craft
- **Piping Bag & Layered Cake:** Represents active creation, custom cake decoration, and precision detail.
- **Kitchen Utensils (Whisk & Spoon):** Line art symbols around the border reinforce home-baking heritage, fresh preparation, and authentic scratch-made baking.

CHAPTER 06

COMPETITOR GAP & MARKET OPPORTUNITY

Content Gap

Competitors mainly focus on “Showing the cake” → FS Elite Bakes can focus on “Showing the experience”.

Communication Gap

“Selling the product” → “Educating + entertaining + selling”.

UGC Gap

“Brand-created content” → “Real customer/UGC content”.

Storytelling Gap

“Product features” → “Benefits + stories + occasions”.

Product Opportunity

Fresh + tasty + customized cakes.

Price Opportunity

Premium-looking cakes at reasonable prices.

Content Opportunity

Educational + entertaining + promotional content.

Customer Opportunity

Stronger customer stories and UGC.

Innovation Opportunity

Regular seasonal and trending launches.

Brand Opportunity

Modern, premium and celebration-focused.

Social Media Opportunity

Reels + Stories + customer-generated content.

Core USP Opportunity

Taste + Design + Customization + Celebration Experience.

CHAPTER 07

BRAND POSITIONING & USP

Who Are We?

A modern homemade cake and celebration bakery brand offering fresh, attractive and customizable cakes.

Who Are We Targeting?

Celebration-focused customers aged primarily 10–45, including teenagers, parents, young adults, professionals, families, event planners and gift buyers.

What Problem Do We Solve?

We help customers obtain a fresh, attractive, personalized cake suited to their celebration, with convenient ordering and a range from budget to premium options.

What Makes Us Different?

The opportunity focuses on combining taste, design, customization and celebration experience while balancing premium presentation with reasonable pricing.

Why Should Customers Choose Us?

Because the brand aims to offer fresh, tasty, customized and visually appealing cakes for different occasions, supported by convenient digital ordering.

What Do We Want To Be Known For?

A modern, premium, trendy and celebration-focused cake brand.

Positioning Formula

For celebration-focused customers → We provide fresh, delicious and beautifully designed customized cakes → Because we combine Taste + Design + Customization + Celebration Experience.

USP

Taste + Design + Customization + Celebration Experience.

CHAPTER 08

CUSTOMER JOURNEY

Awareness

- Customers need to discover the brand and understand what it offers.
- Content focus: brand introduction, product variety, visually strong Reels and occasion-based content.

Interest

- Customers need reasons to explore further.
- Content focus: flavours, customization examples, cake designs, freshness, presentation and celebration ideas.

Consideration

- Customers need proof and value.
- Content focus: customer stories, UGC, reviews/testimonials when available, customization process, pricing/value communication and FAQs.

Purchase

- Customers need a clear and easy ordering path.
- Content focus: ordering steps, DM/WhatsApp CTA, pre-order information, availability/delivery details.

Retention

- The customer needs a reason to return.
- Content focus: post-purchase experience, new launches, seasonal/trending cakes, repeat-customer communication and celebration reminders.

Advocacy

- Customers need an easy way to share the experience.
- Content focus: UGC, customer celebration moments, tagged posts, reviews and referral-oriented content.

Journey Principle

At every stage, content should answer the customer's next question before asking them to move to the next stage.

CHAPTER 09

SMO PLANNER

Goal

The goal of the FS Elite Bakes SMO Planner is to build a consistent, engaging, and conversion-focused social media presence, especially on Instagram, while strengthening local brand awareness in Kumbakonam. The planner combines product showcasing, educational content, behind-the-scenes storytelling, customer engagement, social proof, entertainment, and festive promotions.

The strategy is designed around the brand positioning of Premium + Trendy + Fresh + Celebration-Focused Homemade Bakery, with the tagline “Your Moments, Our Masterpiece.” Content is created to attract teenagers, parents, young professionals, couples, families, food lovers, and celebration/event planners.

Content Pillars

Content Pillar	Purpose	Content Examples from Planner
1. Product Showcase	Highlight products, flavours, designs and premium quality	Belgian Chocolate Truffle, Biscoff Cake, Vintage Floral Cake
2. Behind the Scenes & Craftsmanship	Show freshness, preparation and the effort behind every product	Bento Cake decoration, wedding cake process, fresh baking
3. Educational & Buying Guide	Help customers make better purchase decisions	Regular vs Premium cakes, ingredient-quality education
4. Entertainment & Engagement	Increase interaction, shares, comments and audience participation	Superhero cake reaction, flavour quiz, Pinata & Tsunami cakes
5. Social Proof & Customer Stories	Build trust through real customer experiences	Customer feedback, testimonials and UGC
6. Promotional & Festive Content	Generate enquiries, pre-orders and seasonal sales	Diwali dessert boxes, pre-order countdowns

Planner Columns

The SMO planner uses the following columns to ensure that every piece of content has a clear strategic purpose:

- **Date** – Scheduled publishing date.
- **Product** – Cake, dessert, hamper or product being promoted.
- **Format (P/C/S/R)** – Post, Carousel, Story or Reel.
- **Content Type** – Purpose/category of the content.
- **Hook** – Attention-grabbing opening line or visual.
- **Core Message & Concept** – Main idea that the content communicates.
- **Target Audience & Key Elements** – Intended audience and important points to highlight.
- **Video / Carousel Script** – Scene-by-scene Reel direction or slide-by-slide Carousel structure.
- **Voiceover Script** – Spoken message where required.
- **Visual Board Description** – Photography, colours, styling, composition and visual direction.
- **Caption, Hashtags & Tagline** – Supporting copy and discoverability elements.
- **CTA** – Desired customer action such as DM, WhatsApp order, save, share or pre-order.
- **Status** – Tracking column for execution and publishing progress.

Monthly Execution Structure

Format	Planned Content	Main Purpose
Reels	5	Reach, discovery, product experience and storytelling
Posts / Carousels	5	Education, product information, aesthetics and promotions
Stories	5	Daily engagement, interaction, trust and conversion
Total	15	Balanced monthly SMO execution

Suggested Content Balance

Content Focus	Suggested Share	Primary Objective
Product Showcase	25–30%	Product awareness and desire
Educational / Buying Guides	15–20%	Help customers choose and build authority
Behind the Scenes / Craftsmanship	15–20%	Demonstrate freshness and homemade quality
Entertainment / Engagement	15–20%	Reach, interaction and shareability
Social Proof / Customer Stories	10–15%	Trust and credibility
Promotional / Festive	10–15%	Orders, pre-orders and seasonal sales

Execution Output

- the monthly SMO execution for FS Elite Bakes produces:
- **5 Reels** focused on product experience, craftsmanship, education and customer reactions
- **5 Posts/Carousels** covering product showcases, buying guides, trendy designs, interactive products and festive launches.
- **5 Stories** designed for polls, quizzes, testimonials, behind-the-scenes content and promotional reminders.
- **15 total pieces of planned content per month.**

Consistent use of the brand tagline: **“Your Moments, Our Masterpiece.”**

- Strong focus on **Kumbakonam-local visibility** through relevant location-based keywords and hashtags.
- Clear **WhatsApp/DM-based CTAs** to convert social media attention into enquiries and orders.
- A balance between **brand awareness, engagement, trust-building and sales**, rather than relying only on promotional posts.
